Safety Certification Program

About this Program

Certified Director or Supervisor of Safety (CDS/CSS):

Full program is 4.5 days with exam on last ½ day. Includes two courses held back-to-back.

- Motor Fleet Safety Basics (*first 2-days*)
- Managing Motor Fleet Safety Programs (*second 2 days*)
- Exam administered onsite the morning following second course.
- Within 60 days of passing the exam - complete an online certification application submission detailing your work background and performance.

The courses are accredited for 2.0 CEUs through the University of Denver Transportation and Supply Chain Institute.

Benefits & Course Descriptions can be found by scanning the QR Code.
